Dear Fellow Hunter:

## Just shooting off a lion to you on my Norelco® Dictating Machine

A Norelco Dictating Machine is "safari" thing for correspondence, conference reports, memos to the natives! No waiting around. You dictate when you want—at your own speed. The Norelco 82 Dictating/Transcribing Machine and the Norelco 83 Portable Dictating Machine make an ideal combination for the executive under pressure—at the office, at home, or globe-trotting around the world! Set your sights on a Norelco Dictating Machine—the busy man's instant secretary.

Bob Hope stars in "Boy, Did I Get A Wrong Number,"  
an Edward Small Production for United Artists.

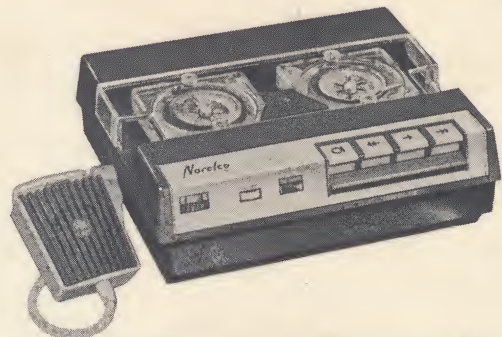

## FOR BIG GAME BUSINESS THERE'S NOTHING LIKE A NORELCO DICTATING MACHINE!

**Norelco® 82** DICTATING/  
TRANSCRIBING MACHINE **\$249.50**  
Only  
complete with dictating or transcribing accessories

- Records phone orders and meetings without taking up your secretary's time.
- One magnetic tape cassette provides 40 minutes of dictation. Reusable over 10,000 times.
- Exclusive tape cassette threads automatically. No loose tape, belts or discs to fumble with.
- Remote fingertip control mike provides crystal-clear dictation and easier review.
- Mistakes are erased electronically simply by talking over them for accurate, error-free transcription.

**Norelco® 83** PORTABLE  
DICTATING MACHINE **\$249.50**  
Only  
complete

- Cordless, transistorized and compact, with convenient carrying case.
- Takes dictation in any position—in a car, train or plane. Approved by every major airline.
- Special mike eliminates background noise for crystal-clear transcribing.
- 4½ pounds light for easy portability.
- Compatible with the Norelco 82 Dictating Machine for operational flexibility.
